WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

BARBADOS

Come Long, Live Life

Gentle hills roll right down to rosy shores in Barbados, and a colonial past offers a host of historical attractions, from small villages rife with charm to old sugar mills and restored plantation estates that hark back to the 1600s.

Get a taste of the UK with a cricket match, the national sport of the sovereign island country. Take in a leisurely afternoon tea, where tiers of pastries and finger sandwiches break the view of the tropical waters before you ... or make time for “tee” instead with championship golfing under an average of 3,000 annual hours of sun. Next, take the white glove off and trade it in for your best jacket for dinner on the Platinum Coast—the 15-mile Millionaires’ Playground—before tossing it aside to dance with abandon to live reggae and calypso, even more lively during Crop Over. Enjoy the melodies; they play over the harmony of British elegance and Bajan hospitality where the Atlantic Ocean meets the Caribbean Sea.
