THINGS TO KNOW BEFORE YOU GO

To ensure you're fully prepared for your European vacation, please refer to the information below and consult your travel advisor with any questions.

NEW ETIAS REQUIREMENT

In accordance with the European Travel Information and Authorization System (ETIAS), an [ETIAS waiver](#) will be required for U.S. passport holders traveling to Europe for up to 90 days within a 180-day period. This requirement is expected to become effective in 2025 (date yet to be announced). Refer to the [ETIAS](#) website for updates.

DOCUMENTATION

Proper documentation is your responsibility. For travel to European countries, your passport must be valid for up to **6 months** after your return. Contact your advisor or the consulates of the countries you're visiting for the most current requirements. We strongly recommend carrying a color copy of your passport's picture page on your person; however, if traveling between countries, carry your actual passport.

HEALTH & SAFETY

We strongly recommend that you visit the [U.S. Department of State](#) and [Center for Disease Control and Prevention](#) websites for important information on foreign travel, as well as our Health & Safety Tips.

BAGGAGE

The standard carry-on size for European carriers is slightly smaller than U.S. domestic flights, measuring 21.7 by 15.7 by 9 inches. Please check your [air carrier's website](#) to ensure that your baggage size and weight meet their requirements.

ELECTRONICS

The official voltage for Europe, the UK, and Ireland is 230, whereas most U.S. outlets are 110V. If your appliances don't use this voltage, you'll need to purchase an outlet converter adaptable for 2 round-pronged or 3 flat rectangle-pronged (UK and Ireland) outlets.

ACCOMMODATIONS AND MEAL PLANS

In general, rooms are smaller than in the Americas, and washcloths and toiletries are often not provided. Many hotels offer meal plans such as:

All-inclusive – Includes all meals, select drinks, daily activities, and nightly entertainment. Such plans may also be referred to as *Endless Privileges*[®] or *Unlimited-Luxury*[®].

Full-board – Includes breakfast, lunch, and dinner.

Half-board – Includes breakfast and lunch.

DINING OUT

Tipping in restaurants is appreciated, but often not expected. When tipping is common, 5% is normal and 10% is considered generous. Service is generally less hurried than in the Americas.

USEFUL TIPS

Travel light, wear comfortable shoes, and ensure your luggage has sturdy wheels to withstand the steps and cobble streets of Europe. Also, be prepared to pay a small fee for the use of public restrooms!

By booking with **Funjet Vacations**, a brand of ALG Vacations[®] Corp, you agree to our [General Cancellation Terms & Conditions](#). Any payment constitutes acceptance of these terms. Please review this document prior to booking.

WELCOME TO EUROPE

Even with a vast ocean between us, the lure of the Old World is inescapable and its magic untranslatable. Every region in every country has its own deep, wholly unique roots. These roots connect intricately throughout the continent, a complex network from which sprouted the origins of nearly every facet of Western society.

Squint into the distance: you can still see the ghosts of rising dust clouds on roads leading to Rome or Athens. Time travel becomes easy when staying in a historic castle in the wilds of Ireland; among the cypress-guarded hills of sun-drenched Tuscany; or amid the azulejos-tiled buildings of Seville. It simply stands still when sipping an espresso on the canals of Venice or Amsterdam or while listening to the whistle of the wind through the heather of Scotland.

Travel inland and feel the rumble of carriages over age-old cobblestones, reverberating through your soles in places like Frankfurt, Porto, and Paris. Crane your neck until you can stretch it no more to take in majestic spires that twist into the sun in London, Zurich, or Barcelona. Trade those towers for whitewashed buildings capped in blue in Greece or Croatia.

Regardless of the European destination, find yourself swept up in the romance of a fairy tale—a story still being written.

GERMANY

Find Your Fairy Tale

The stories of the Brothers Grimm seem more fact than fiction in the ethereal Black Forest and countryside of Germany, where villages of half-timbered houses spring up like magical mushrooms, fairy-tale castles spiral through the clouds, and enchantment with the country doesn't end with a simple kiss. Every one of Germany's 16 states are spellbinding in their own way: some for classical music, written by prodigies like Bach, Beethoven, Brahms, and Schumacher; some for being the home or launchpad of famous thinkers such as Karl Marx, Friedrich Nietzsche, Albert Einstein, Johannes Kepler, and Johann Wolfgang Goethe; some for their royal history and architecture, set against modern post-war construction; and others simply for the country's famous master-crafted beer and hearty, rustic cuisine.

Berlin, the country's largest city and capital, is a destination that boasts all of the above. History buffs revel in walking the Unter den Linden—a pathway from royal residencies that leads from the Brandenburg Gate to the Schlossbrücke in Old Berlin—or on “Ku'damm,” where fantastic shopping on Fasanenstrasse provides plenty of diversion ... as do the City Castle and a royal hunting lodge. Modern art exhibits show a more dynamic side of this reunified city, while the Berlin Wall Memorial provides a sobering look at a tumultuous time in contemporary history. In contrast, visitors can't help but be uplifted by the strains of Glockenspiel music that emerge from the cuckoo clock in the Marienplatz of the Bavarian capital of Munich, the original city of Oktoberfest, or delighted by the awe-inspiring, Baroque Nymphenburg Palace.

In between these two major destinations, red stone caps set the medieval town of Heidelberg quaintly apart, and several waterside cities bring romance to the forefront. In fact, Dresden, a UNESCO World Heritage Site that was once the seat of the kings of Saxony, was a hub of the Romantic Movement. Canal-crossed Hamburg provides exciting nightlife, plus Elbe River and nature views for days as one of the greenest cities in Germany. Not to be outdone, Frankfurt offers farmers' markets, traditional apple wine bars, and summertime entertainment in the Palmengarten that are somehow not at odds with the city's status as the “Manhattan of Germany,” a center of international trade and a shopper's paradise along the Zeil.

BERLIN

“The city where anything is possible,” this city-state and capital needs very little introduction—it’s best to jump right into its stories. The Berlin Wall and the Brandenburg Gate, symbols of Western culture divided and tearfully reunited. The Holocaust memorial, a solemn recognition of painful past and a promise to the future: “never again.” An Underground with tunnels and bunkers that encourage gratitude for a life that is free—free to enjoy the open spaces, sprawling parks, and wooded areas of one of Germany’s greenest cities, a beautiful walkable metropolis that boasts more waterways than Venice and nearly as many bridges as Amsterdam.

Enveloped by the majestic fir forests and postcard lakes of Brandenburg, Berlin is a city that embraces beauty, whether in the second-largest department store in Europe after Harrod’s, the treasures safeguarded in Museum Island, or the classical music that was invented right here. And that beauty is what promises to steal your wanderer’s heart.

HESSE & RHINELAND- PALATINATE

While not everyone is familiar with the state of Hesse, few are unaware of its most major city – Frankfurt am Main. Not to be confused with any other Frankfurt, this is the Frankfurt people think of when they think of big banking, modern skyscrapers, and Goethe.

But more telling to its character is that it's an inspiring testament to the triumph of peace over conflict. There is no finer example than its New Old Town, a detailed and precise reconstruction of a district devastated by the effects of World War II. Lovingly rebuilt to medieval blueprints and restored to its mix of Gothic, Renaissance, Baroque, and Classical architectural glory, this major project won the international MIPIM Award in 2019 for its visionary reclamation of a noble history. Frankfurt is an urban landscape best appreciated at a traditional bar with an *apfelwein*, or maybe a slice of buttercream crown cake.

Get more of that half-timbered, medieval feel just across the Rhine River in Mainz—the capital of Rhineland-Palatinate—whose old town has market squares, Renaissance fountains, and a Romanesque cathedral over a thousand years old. Not as ancient but perhaps even more uniquely significant is the Gutenberg Museum, where you can learn about the inventor's printing press, its global impact, and view two of his original Bibles. Talk over these cultural riches with a glass of wine in the evening – Mainz is in the heart of German wine country, which makes it worth a visit in and of itself.

NORTH RHINE- WESTPHALIA

On the banks of the romantic Rhine River, two star cities rise up in passionate rivalry: Dusseldorf and Cologne. As a visitor, it might just be your obligation—and excuse—to visit both to allow them to compete in equal measure for their place in your own heart.

Will it be the Karneval or Christmas market that sways your vote for seasonal superiority? The geographically protected Kolsch beer of Cologne or the Altbier, a hoppy old-style pre-lager of Dusseldorf, that slake your thirst for the best of Germany? Perhaps it's the diverse, Michelin-starred dining in the latter that leaves you hungering for a longer stay, but attractions like Cologne's chocolate museum that hits your travel sweet spot.

Yet they each have their own unique, individual selling points as well—features that aren't directly competitive. For instance, Cologne's Altstadt, or Old Town, is absolutely enchanting for its fairy-tale medieval ambiance, where cobblestone alleys lined with narrow, steep-gabled homes lead to charming pedestrian squares; historic churches, including a cathedral that's become a national symbol of Germany; and interesting museums such as the Farina Fragrance Museum, which celebrates the city's title as the home of Eau de Cologne, as well as art exhibits that span classical to Picasso, Warhol, Lichtenstein, and more.

Dusseldorf, on the other hand and despite the tradition in its ancient *bier*, is a destination with modern pursuits. The current fashion capital of Germany, it's a major cultural center that blossomed after Berlin faded out of the spotlight as part of the Soviet occupation zone. Since then, it's held that title, and supported it with other contemporary art, such as electronic music that has influenced the progression of post-punk and rock all around the world. But that doesn't mean it's short on tradition. Beyond world-renowned holiday festivals, you can experience regional character if you keep an eye out for cartwheelers—on a fountain, souvenirs, storm drains, door knockers, or even on the street during real-life competitions—symbols of joy and fun that are present year-round. As you might wish you were.

BAVARIA

The Free State of Bavaria prides itself on being “Traditionally Different”—as it should. Small medieval towns, alpine landscapes with clear lakes, and the distinct Bauernhaus chalet-style villages offer an old world unlike any other throughout its four regions. Seasonal events such as Oktoberfest, the decennial *Oberammergau* Passion Play, and legendary Christmas markets only amp up the charm.

But as important as those cultural celebrations are, make no mistake that Bavaria and its primary cities of Munich—its capital—and Nuremberg are fairy tales year-round, especially when factoring in a visit to King Ludwig II's Neuschwanstein Castle in the clouds, the inspiration for Disney's Sleeping Beauty Castle. Get lost on the Romantic Road, the Castle Road, or the German Alpine Road in a rented car, and find yourself awestruck by the tallest peak in Germany, the Zugspitze.

Experience the magic and allure of the Bavarian Forest National Park on bike, on foot, or on skis, where little human interference has let eagle and Ural owls rule their roosts as otters and wood grouse live in peace in the moors, glacial lakes, streams, and valleys of the Danube. Or, visit UNESCO World Heritage Sites such as the Wieskirche pilgrimage church, Roman Limes, Wurzburg, Bamberg, Regensburg, Margravia Opera House, and prehistoric pile dwellings around the Alps for a sense of man's place in Europe's Green Canopy. Then, return to your city lodging with a rousing *prost!* with a stein of beer, accompanied by a regional pretzel and plenty of mustard, to toast to an incredible escape to a region truly unlike any other.

BADEN- WÜRTTEMBERG

A journey to this glorious corner of the world adds some black to your blue in the best possible way: blue skies and the incredible Black Forest, which is then even more lightened up by the most hours per year of sunshine in Southwest Germany ... and the most Michelin stars. It's here that Lake Constance views give way to those of the Swiss Alps as you fish and bike your way through a stunning natural landscape. It's here that you can split a day between hot springs and palace gardens or vineyards; while away a week turning corners in quaint villages sprinkled with charming half-timbered buildings; or flood your senses in the wine-producing region with tours and a visit to the Viniculture Museum.

Alternatively, take to the roads to explore Stuttgart—as is more than appropriate for an area that was the birthplace of the motor car. Hit the gas to the Mercedes-Benz Museum, which features over 1,500 exhibits across nine astounding levels, or the Porsche Museum for a crash course on these famous cars. Better yet, time your stay to coincide with Retro Classics, Germany's most-loved motor show.

On foot, begin explorations at Schlossplatz Square and the Stuttgart-Mitte, the replacement for the Old Palace, the city's oldest surviving building and a 10th century wonder built in 941. The National Museum, National Gallery, Stuttgart State Theatre—the world's largest multi-genre—and one of the world's most biodiverse zoos, Wilhelma Gardens, offer immersive recreation. But so does just wandering around the city. Over 200 staircases built throughout the city offer multiple perspectives and lead to attractions like one of the most beautiful marketplaces in Germany, Stuttgart's Marketplace; charming squares lined with cafés and bars like those near Town Hall and the *Hans-im-Glück* Fountain; Königstrasse and Calwerstrasse shopping streets; and other delightful surprises that only you can discover.
